

## Orientation session on 10/02/22 to MCA I year students

A orientation session is conducted to MCA I year students on 10/02/2022 by Dr. P. Suresh Varma Professor Department of CSE & Dean of Academics University College of Engineering Adikavi Nannaya University Rajamahendravaram. He discussed about how to become self employable by developing small websites for public use like doctor's information, Train, Bus, Tourist or visiting places nearby and then get some advertisements from local merchants thereby one can generate revenue. He also advised students to get in depth knowledge of any programming language, so that one can learn on their own any programming language easily. Students interacted with sir and get clarified their doubts
